

Sunday Pre-Week Accountability Tracker

Decide What Matters

Take charge, week by week

Week beginning:

Project:

WritingTrees.co.uk *Structure where it matters*

What stage are you at right now?
(Snapshot of your current progress as a marker)

What's already working?
What do you want to protect?

What can wait?
(Not everything needs to be finished this week.)

What do you want to move forward this week
(Make it clear, no matter how big or small)

What would make this week feel worthwhile?
(e.g finish chapter 4, reach out to publisher, write every day)

What needs your attention?
(Anything you've noticed and want to revisit? Any observations you want to act on?)

When will you make time?

*"First forget
inspiration. Habit is
more dependable."
Octavia E. Butler*
